

September 20, 2017

Dear Representative:

We, the undersigned, support the Recognize, Assist, Include, Support, and Engage (RAISE) Family Caregivers Act (H.R. 3759/S. 1028) and urge you to cosponsor this bipartisan bill in the House introduced by Representatives Gregg Harper (R-MS) and Kathy Castor (D-FL) with original cosponsors Representatives Michelle Lujan Grisham (D-NM) and Elise Stefanik (R-NY).

Family caregivers are the backbone of services and supports in this country. They help make it possible for older adults and people with disabilities to live independently in their homes and communities. About 40 million family caregivers provide about \$470 billion annually in unpaid care to their loved ones. About 3.7 million family caregivers provide care to a child under age 18 because of a medical, behavioral, or other condition or disability, and 6.5 million family caregivers assist both adults and children. Our country relies on the contributions family caregivers make and should recognize and support them.

The RAISE Family Caregivers Act would require the Secretary of Health and Human Services to develop a strategy to support family caregivers. The bill would establish an advisory body to bring together representatives from both the private and public sectors to advise and make recommendations. The strategy would identify recommended actions that communities, providers, government, and others are taking and may take to recognize and support family caregivers and be updated biennially. The bill would implement the federal Commission on Long-Term Care's bipartisan recommendation that Congress require the development of a strategy to support family caregivers and is consistent with a recommendation last year by the National Academies of Sciences, Engineering, and Medicine calling for a family caregiver strategy.

By supporting family caregivers, we can help people live at home where they want to be, helping to delay or prevent more costly care and unnecessary hospitalizations, saving taxpayer dollars. We urge you to cosponsor the RAISE Family Caregivers Act. To cosponsor the bill or if you have any questions, please contact Scot Malvaney with Representative Gregg Harper ([scot.malvaney@mail.house.gov](mailto:scot.malvaney@mail.house.gov)) or Elizabeth Brown with Representative Castor ([elizabeth.brown@mail.house.gov](mailto:elizabeth.brown@mail.house.gov)). We appreciate your consideration of this important legislation.

Sincerely,
