Neighborhoods as a Social Determinant of Health

<https://myumi.ch/84xqk>

- **Neighborhoods as a Social Determinant of Health** featuring Philippa Clarke, Grace Noppert, Marilyn Sinkewicz with NaNDA at the University of Michigan.
- This webinar will discuss how neighborhoods operate as a social determinant of health, and how local context can “get under the skin” to shape health disparities.
- This webinar is hosted by the Health and Medical Care Archive (HMCA) at the Inter-university Consortium for Political and Social Research (ICPSR), a data repository funded by the Robert Woods Johnson Foundation (RWJF).
- Signup here: myumi.ch/84xqk
