**Subject:** Bipartisan Letter to CMS on Medicare Enrollment Proposed Rule

Hi,

Thank you again for organization's support for the bipartisan BENES Act ([S. 1280 in the 116<sup>th</sup> Congress](#)) and the recently introduced BENES 2.0 Act ([S. 3675 in the 117<sup>th</sup> Congress](#)).

We wanted to share with you all a letter that Senators Casey and Young just sent to CMS Administrator Brooks-LaSure urging CMS to finalize their rule to update enrollment timelines and create new SEPs, made possible by key provisions from the BENES Act that were enacted into law in December of 2020 as part of the end-of-year package.

Let us know if you have any questions!

Thanks,  
Josh
